

# THE LIGHT DRAGOONS COLONEL'S APPEAL

## June Flier 2014

The aim of this appeal is to give enduring support to Light Dragoons wounded on operations or in *regimental service, to their families, and the families of those killed on duty.*

There are many types of injuries those that are clearly visible and those that are not! This appeal is here to support you no matter what. If you are in need of support or know of some one who is, please get in touch with HHQ and we will be there for you. We have been busy trying to contact those who have left the regiment and might benefit from our support, if you have been contacted please get back to us as soon as possible!

£1,023,500.00 Raised  
£20,000 Pledged

Do you need support from your Appeal? Just Call HHQ and we will do the rest. We are here to help those in need now and in the future.
